Grand Challenge Study

‘Prepare an Idea’

Work with one other person

Discuss how an idea may impact a ‘Grand Challenge’

Prepare a 7 picture presentation
  What do you propose?
  Why is it a good idea?
  How do you think it will be built or how will the process work?
  What are the requirements for the cost and time?

You may use copies of pictures with your own commentary.

Don’t worry about any calculations.

You will need to keep your presentation time to 5 minutes.
